1. INTRODUCTION

The Community Advisory Council (the Council) is established by Northern Territory PHN's (NT PHN's) Board as an advisory council to the Board, as required by the Company's Constitution and the Standard Funding Agreement with the Australian Government Department of Health. The Council will continue indefinitely until such time as terminated by the Board and is subject to NT PHN receiving ongoing funding from the Australian Government Department of Health.

These Terms of Reference outline the role, responsibilities and operating procedures of the Council, and shall be reviewed by the Board at least every two years. These Terms of Reference should be read in conjunction with relevant NT PHN policies and procedures as they apply to Council members.

2. PURPOSE OF COUNCIL

The Council's purpose is to provide strategic level guidance and advice to NT PHN's Board, providing a community perspective, ensuring that NT PHN's decisions on matters which could influence and effect change, investments and innovations are patient centred, cost-effective, locally relevant, and aligned to local care expectations and experience.

The Council is a key component of NT PHN's governance structure, serving as a key link between the Northern Territory (NT) community and NT PHN's Board. The Council works closely with the other NT PHN Councils in support of the achievement of NT PHN's strategic vision and objectives.

3. ROLE AND RESPONSIBILITIES

3.1 Council

The Council has an advisory role, making recommendations to the Board, and does not have any decision-making authority. The main responsibilities of the Council are to:

- To assist NT PHN's Board to understand the community needs, and how to engage and consult with the NT community.
- Maintain currency of emerging issues in primary health care that may require community consultation and be able to provide advice or initiate consultations at the Board's request.
- To provide advice on operational service delivery issues or raise issues of concern for consideration. This advice will be provided directly to NT PHN's Chief Executive Officer (CEO) for consideration.

Matters within the Council's scope include:

- Methods to improve the effectiveness, cultural security and safety of programs delivered through NT PHN.
- Areas where primary health care services and systems could be improved to inform NT PHN's support activities in primary health care and general practice.
- Feedback on how the patient journey can be improved across the hospital/primary health care interface.
- Strategies to address health determinants through stronger integration of the health sector with other sectors to improve health outcomes.
- Feedback on how NT PHN can contribute towards addressing preventable diseases, including through supporting primary health care services to integrate health promotion and prevention to primary health care services.
- Ensuring that consumer input is provided into needs assessments undertaken by NT PHN, including on the identification of needs and community priorities.
- Providing oversight of the mechanisms for consumers to engage in and work with networks outside the Council to facilitate NT PHN's access to a broader range of consumer perspectives.
- Suggesting and supporting further opportunities for consumer involvement in NT PHN's activities.

The Council is authorised to seek information from NT PHN via request to NT PHN's Board or CEO. Direct approaches to NT PHN staff by Council members in relation to Council business are not permitted.

- Support NT PHN to ensure that the Council membership is diverse, appropriate and representative, including participating in the selection processes for Council members or revocation of membership processes for Council members where required.

4. MEMBERSHIP AND ATTENDANCE

4.1 Appointment and composition

The Council shall be made up of at least three, but no more than twelve, Council members.

Council members are appointed by NT PHN's Board for a term of three years, with the possibility of being reappointed by the Board for a second term of three years. The maximum term of appointment for any Council member shall be six years. Any Council member appointed prior to the date of these Terms of Reference for a term shorter than three years may be reappointed for any such consecutive terms, provided that the maximum consecutive term of appointment in such instance shall also be six years.

The Council members must have sufficient qualifications and experience to fulfil their duties in order to meet the Council's skills requirements, as determined by the Board. To ensure an appropriate representational (including regional) balance, the Board may apply other non-skills-based criteria when appointing Council members.

Without limiting the number of Council members that may be of Aboriginal descent, the Board will actively seek to appoint Aboriginal members to the Council. Ideally, there will be no more than six (out of the maximum number of twelve) non-Aboriginal members, alternatively not more than 60 per cent non-Aboriginal members.

4.2 Chair and Deputy Chair

The Council Chair and Deputy Chair (which appointment is in the discretion of the Council) are appointed by a simple majority vote by the Council members for a term of one year, with the possibility of being reappointed by the members for a total of three one-year terms during their possible six-year Council membership term.

All Council meetings shall be chaired by the Council Chair. In the absence of the Council Chair and/or an appointed Deputy Chair, the remaining members present shall elect one of themselves to chair the meeting and to provide feedback to the Chair as to the salient points and outcomes of that meeting.

4.3 Board representation

A Director from NT PHN's Board may be appointed as a member of the Council although this is not a mandatory requirement.

4.4 Temporary members

The Council may request that individuals with special knowledge of issues relevant to the Councils' role and functions be appointed as temporary members of the Council, with this appointment being subject to such terms and conditions as the Board may direct.

4.5 Termination of memberships

Council members' appointment shall terminate upon expiry of their appointment term, unless reappointed in accordance with these Terms of Reference.

Council members may resign at any time by written notice to the Council Chair and Council Liaison. NT PHN's Board may revoke any Council member's appointment at any time for failure to comply with these Terms of Reference or any lawful instruction by the Council Chair.

A member who is absent without prior apology for more than three consecutive meetings will be required to provide reasons in writing to the Chair regarding their non-attendance. Upon receipt, the Chair has discretion to make a recommendation to NT PHN's Board on that Council members' continuing membership of the Council.

4.6 Remuneration

The remuneration of Council members will be made in accordance with NT PHN's Board Committee and Council Remuneration Policy. Travel and accommodation arrangements will be made in accordance with NT PHN's Travel Handbook and associated procedures, as required.

4.7 Extended Leave

In exceptional circumstances, Council members may request to take extended leave from their role on the Council, which shall be made in writing to the Chair and Council Liaison. Periods of leave up to

three months may be approved by the Chair (or the Board Chair in the case of a request by the Council Chair) and will cause no change to the duration of the Council member's term of appointment. Periods of leave longer than three months, including the subsequent extension of such member's term of appointment by the duration of time taken as leave, require approval from NT PHN's Board.

In considering a request for extended leave, the due consideration will be given to the potential impact on the Council's operations due to the member taking extended leave.

5. MEETINGS

5.1 Frequency of meetings

The Council will meet four times per year. Additionally, the Council will meet with the other NT PHN Councils and NT PHN Board in a joint meeting once per year.

Additional meetings may be scheduled at the direction of the Board, Council Chair, NT PHN's CEO and/or by agreement of a quorum of the Council. Members will meet in person or via available technology and may at times be requested to undertake business out-of-session.

5.2 Agenda and minutes

The agenda and agenda papers for Council meetings will be circulated no less than five working days before each meeting.

Members may nominate items for inclusion on the agenda for approval by the Council Chair. All agenda items must be submitted to the Chair at least seven working days prior to each meeting. The Chair has the right to refuse to list an item on the formal agenda, but members may raise an item under 'Other Business' if necessary and as meeting time permits.

The Council Secretariat shall minute the proceedings of all Council meetings. The minutes, including identified action items, will be provided to the Chair for their review within seven days of a Council meeting, and be circulated to members following approval by the Chair. The minutes of all meetings must be adopted by the Council at the next scheduled Council meeting. The Council Secretariat will maintain a complete and up to date record of all meeting minutes and action items.

5.3 Attendance at meetings

Members are required to attend all meetings of the Council.

The CEO, Council Liaison and Council Secretariat shall attend all Council meeting as standing invitees but may not vote on any decisions by the Council. 5.4 Quorum

A quorum for meetings shall be a simple majority of total Council members, being the number of membership positions that are currently filled. If a quorum is not achieved, a decision to continue the meeting will be made by those present. If the meeting continues, all decisions must be ratified at the next meeting or out-of-session.

5.5 Decision-making

The Council does not have delegated decision-making authority from NT PHN's Board, but rather provides advice to NT PHN's Board and CEO.

The Council will strive to make decisions on matters within their scope on a unanimous basis. In any instance where this cannot be achieved, the Chair will put the issue to a simple majority vote.

5.6 Management of urgent matters

From time-to-time, urgent matters may be required to be considered by the Council. In such cases, the Chair is to determine the relative urgency of the request and may either:

- Call a special meeting of the Council;
- Put the matter to vote by the Council out-of-session in such form as may be directed by the Chair, which may include by way of email, with the vote of the majority of members representing the decision of the Council; or
- Provide a response on behalf of the Council, which is to be tabled at the next Council meeting.

6. SECRETARIAT

To ensure its effective operation, support is provided to the Council through the Council Liaison and Council Secretariat.

In relation to NT PHN's Councils, the Council Liaison's responsibilities include:

8. CONFIDENTIALITY

In accordance with NT PHN's Confidentiality Undertaking Policy, all non-public information that Council members acquire in the course of performing their duties should be treated as confidential; this obligation continues to apply when a member no longer serves on the Council. Other than as authorised by NT PHN or as required by law, Council members shall not divulge such confidential information, use or appear to use such confidential information for personal advantage or for the advantage of a third person. Members may consult with appropriate parties where reasonable and necessary to ensure adequate and comprehensive consideration and engagement of Council matters. Members are however responsible for ensuring the confidentiality of information shared throughout any such consultation process.

9. CONFLICTS OF INTEREST
